

IEEE NANO 2025

The 25th IEEE International Conference on Nanotechnology

13-16 July 2025 – Washington DC, USA

Welcome

Since its founding in 2001, IEEE NANO has been the flagship conference of the IEEE Nanotechnology Council (NTC). It promotes advanced research in nanoscience and nanotechnology.

The 25th IEEE Conference on Nanotechnology ([IEEE NANO 2025](#)) will be held on 13-16 July 2025, in Washington DC, USA.

Call for special sessions

IEEE NANO 2025 welcomes proposals of special sessions describing the latest and emerging scientific and technological research and activities in the fields of nanotechnology.

Submit your proposal by **15 January 2025** following the instructions at this [page](#).

Call for papers

IEEE NANO 2025 invites contributions from academic, government and industry-based researchers in all fields of nanotechnology. Discover the [topics](#) of the conference on the official website.

Contributions can be as either a paper (4-6 pages) in the IEEE style or a short abstract of 1 page. Be ready to submit your contribution **from 15 January to 1 March 2025**, following the instructions [here](#). Acceptor papers will be published in IEEE Xplore.
